

Beware of blind spots!

Backing up can be **deadly**

Prevent run-over incidents

Drivers

- Use a spotter or get out of your truck and do a walk around.
- Activate 4-way flasher and sound horn before backing up.

Everyone else

- Stay away from areas where trucks are backing up.
- Talk to the driver if you have to perform a task in the area.

Visit www.KeepTruckingSafe.org for more information on how to reduce your risk of injury.
